4. The Family to Family Program may be arranged before or after the Amazon Camp Experience. The plans will be agreed by both DISTRICTS..
5. The whole Program shall last from 2 weeks UP to 3 months - no longer THAN THAT, because the student will get the Tourist VISA (if NEEDED BE).

6. Brazilian Students are going to participate in the Family to Family Program Abroad. Camp Abroad is not mandatory for them. If your district has this opportunity, it will be considered a bonus.
7. During the Family to Family Program, the inbound student will be hosted by the selected counterpart student's family. All the activities are going to be arranged by the host districts and the families.
